Subject: logistics for Bob's meeting with CCRR, Rockford, MI

Please see below. The core group of the Concerned Citizens for Responsible Redevelopment (CCRR) – 2 citizens (**Ex. 6 - Personal Privacy**) one technical advisor (**Ex. 6 - Personal Privacy**) and lawyer/advocate (**Ex. 6 - Personal Privacy**) will be at Arnie's, upstairs in the conference room at 34 S. Squire Street, Rockford, MI to meet with Bob on Wed. Dec 13th. They will be there at 1 pm and will wait for Bob to arrive. They have confirmed that this will be a quiet gathering. They are planning to escort Bob on a windshield tour of the tannery and other areas of interest following their discussion. I told (**Ex. 6 - Personal Privacy**) that Bob will be accompanied by one EPA staff member from the Removal program. CCRR asked if Bob will have had lunch before arriving.

They would like me to confirm this plan. Thanks.

Hi Ex. 6 - Personal Privacy

As discussed, please find attached a copy of the information request we sent Wolverine last week.

Thanks for our chat this morning and your efforts to pull the citizen group's folks together for meeting with our Acting Regional Administrator on Wednesday Dec 13th. Looks like he will be available for about an hour in the afternoon. Look forward to our upcoming discussion to firm up the details.
